

# Yoda Headband

The force is strong with this super cute and easy DIY Yoda headband.

## Materials Needed:

- Yoda headband template
- Scissors
- Tape
- Crayons/Markers/Color Pencils

## How to Assemble:

**Step 1:** Print the Template

**Step 2:** Color in the pieces of the headband

**Step 3:** Cut out the pieces of the headband

**Step 4:** Tape the two rectangles together on each end but measure the headband around your head for a precise fit. You can also use glue or staples to connect the two rectangles together.
